Staff Psychiatrists

PRACTICE YOUR PASSION

The California Department of Corrections and Rehabilitation (CDCR) is now hiring Staff Psychiatrists to join our mental health teams. Our staff is dedicated to putting into action our new vision for better ways to heal and cure.

REAP THE REWARDS

Salary is $228,624–$268,524 per year. CDCR offers comprehensive health benefits, retirement through the California Public Employees' Retirement System, transit subsidy, and 14 paid holidays per year. We value our employees and believe a job with CDCR is more than a career– *it's a purpose.*

Qualified persons must take an online exam: https://forms.spb.ca.gov/spcrs/

For the official exam bulletin, which includes a brief job description and minimum qualifications, please visit our website: www.cdcr.ca.gov/careers

Note: Applicants not currently employed with CDCR will be subject to a background investigation prior to hire. The investigation will consist of a pre-employment questionnaire, fingerprinting, and an inquiry to the Department of Justice to disclose criminal records. Additionally, CDCR employees are required to complete a health survey and pass an annual Tuberculosis test.

Mental Health Professionals play a crucial role in California's adult institutions and youth facilities, as they provide therapy and rehabilitation services to people greatly in need of care.

Accept the Challenge. Make a Difference. Join CDCR today.
