RE: Compliance Review Report

Dear Mr. Puleo,

The State Personnel Board conducted a baseline compliance review of the Board of Chiropractic Examiners' (BCE)'s examinations, appointments, and Equal Employment Opportunity (EEO) program during the period of May 1, 2011 through October 31, 2012. The primary objective of the review was to determine if the BCE's personnel practices, policies, and procedures complied with state civil service laws and board regulations, and to recommend corrective action where deficiencies were identified.

The Department of Consumer Affairs (DCA) processes transactions for BCE. However, BCE provided the documents that SPB requested. A cross-section of the BCE's examinations, appointments, and EEO were selected for review to ensure that samples of various examinations and appointment types, classifications, and levels were analyzed. The review of the EEO program included examining written policies and procedures, the EEO officer's role and duties, and the internal discrimination complaint process. The SPB also interviewed appropriate BCE staff.

The Compliance Review Division (CRD) has found no deficiencies in the review of the BCE's administration of examinations, appointments, and EEO program. The CRD will submit its findings to the five-member State Personnel Board and recommend adoption. The Board will issue a resolution either adopting these findings or issuing its own findings and order. In either event, you will be notified of the Board's action. The final Board action will be posted on the SPB's website.
